VILLAGE WIDE HYDRANT FLUSHING PROGRAM

Hydrants will be flushed on water mains throughout the Village through May 15th. As a result, residents can expect discolored water at any time during the day starting from 9:00 AM and concluding by 4:00 PM. Since discolored water will discolor laundry, residents should not wash clothes during this period. While the water may be discolored, ongoing laboratory testing during past flushing periods have found no harmful bacteria in the water. After 3:30 PM each day, a listing of the next day will be available from Public Works by calling 941-9105.

UNITED STATES CENSUS 2010

US Census workers are visiting the area to identify all housing unit addresses for the 2010 Census.

Census data directly affect how more than \$300 billion per year in federal and state funding is allocated to communities for neighborhood improvements, public health, education, transportation and much more. That's more than \$3 trillion over a 10-year period. Spending just a few minutes to fill out your census form will help ensure Briarcliff Manor gets its fair share of federal and state funding.

The Board of Trustees is seeking volunteers for a Full Count Committee. All interested parties should contact the Village Manager's Office at (914) 944-2782 or managersoffice@briarcliffmanor.org.
