March 20, 2025

Honorable Mayor & Trustees
Village of Briarcliff Manor
1111 Pleasantville Road
Briarcliff Manor, NY 10510

Dear Mayor and Trustees,

Attached is the Tentative Budget for the Village of Briarcliff Manor for FY 25/26. This budget is presented to you for your consideration and review following the provisions of Article 5 of New York State Village Law. The proposed budget has also been filed with the Village Clerk's office and will be made available to the public at the Briarcliff Manor Public Library, and on the Village's website.

This budget is the result of discussions and input from each of the Department Heads of the Village, analysis and review by the Finance office, and myself. The allowable tax cap increase for this year is 2.40% or \$368,395. By comparison, last years' levy was 2.58%, or \$359,268. For context, as you review the budget, a 1.00% increase to the cap equates to roughly \$153,379.94.

This Tentative Budget proposes an 8.82% increase to the tax levy, totaling \$1,352,778. The increase primarily addresses inflation-driven expenses, pension contribution obligations, and essential staffing enhancements necessary to maintain Village services at expected levels. This is 6.42% or \$984,384 over the cap threshold. It should be noted that this already reflects a tax relief inclusion of \$180,000 in General Fund Balance and \$ 94,990 in Debt Service Balance which has been applied as a tax relief measure. This budget includes an increase of \$434,342 in additional non-tax revenue mainly driven by increased bank interest, anticipated ambulance and recreation charges, and small department income increases.

According to the Bureau of Labor Statistics, the Consumer Price Index for the Northeast was up 3.9. from last February. Inflationary increases continue to have an impact on Village's expense accounts, such as materials, pensions, personnel costs, equipment, contracts, and more.

Simply put, the Village needs to find new revenues, expand land use development options to increase overall taxable assessed value (thereby spreading out the impacts of tax increases across a larger base), make considerable service delivery changes (cuts), or exceed the tax cap which is imposed upon us by New York State to keep the budget balanced and on solid financial footing year over year.

Special Budget Considerations and New Initiatives

This year's budget brings a renewed Union Contract for CSEA which consists of front-line service-oriented employees in Highway, Water, Parks, and Central Garage. As negotiations concluded and a contract executed in March 2025 all cost of living increases for these union personnel have now been moved out of contingency into their respective expense lines. In comparison to the prior year (FY 24/25) original budget, the new salary lines may appear to have received a large increase in personnel costs – these costs have been captured in the contingency account, are now being captured into their respective department lines to reflect the finalized contract along with step increases (See below). Major highlights of the new CSEA contract benefiting the Village's long-term fiscal health include:

- 15% health contributions while working and into **retirement for new hires**
 - o (previously hired CSEA unit members pay 0% into retirement, and pay max 12% while employed)
 - o New Non-Union Hires have had this in place since mid-2023
- Reduced health insurance buyout (25% of premium, reduced from 50%)
- Long-Term Contract through May 31, 2028

While in this years' budget health insurance has remained relatively flat for a change, pension contribution increases are a main driver this year. The Village's estimated pension payment to New York State increased by 15.5%, nearly \$275K. This is a cost outside of the Village's control. It is important to note that the retirement calculations are based on salaries from 4/1/23-3/31/2024, so there is a slight lag in any potential savings with new hires falling under Tier 6. We are hopeful that this will lead to either lower pension costs, or a slowdown of increases to pension costs in 26/27 and 27/28 as we begin paying a smaller percentage for

higher tiered employees. Please note that the retirement system tiers are controlled by New York State and all full-time employees are obligated to join (unless they have previously retired and are over age 65). Persons who are less than full-time may join at their option.

Since late 2021, the Village has welcomed 28 new employees, many of whom are represented by unions. This staffing shift has a significant influence on our overall personnel services budget. Per collective bargaining agreements, union employees follow a structured salary schedule that includes incremental pay increases—referred to as steps—until reaching their maximum salary level. While the Village is benefiting financially in the short term from having a workforce with lower seniority, it's important to recognize that these newer employees, who are advancing through their salary steps, will receive comparatively larger annual increases than more senior employees already at their maximum pay rate. This will put upwards pressure on the budget until they plateau.

This years' budget also saw a considerable combined increase in its General Liability Insurance and Workers Compensation Insurance Costs – nearly 20% or \$131K (\$92,690 of this is attributable to Workers Compensation). FY 2024-25 was a bad year for injuries and accidents in the Police and Public Works Departments. Several corrective actions within Public Works have been taken to reduce the likelihood of re-occurrence. The Police injury was a freak accident while on the job that took the individual out of service for approximately 6 months. As of the writing of this message, there are no work-related injuries taking an employee off the job.

This years' budget primarily focuses on maintaining the current service level offerings, with a few key changes detailed below, some of which may be viewed as discretionary choices:

- Seasonal Gardener – Maintains Key Beautification Projects (\$7,353)
 - o One Additional 8-Week Seasonal Staff – Parks (\$7,500)
- Auto Mechanic Addition
 - o Further detailed below
- Additional Police Officer at lowest step
 - o Further Detailed Below
- Expanded recreation programming. The near total of which is 100% funded via user fees (except for expanded Senior Programming which is not)

Auto Mechanic Addition

The Department of Public Works (DPW) has faced significant staffing reductions over the past decade, losing five worker positions since 2010, including a crucial third auto mechanic. Concurrently, workload demands, resident expectations, and expectations from the Board of Trustees and Village Manager have substantially increased, placing additional strain on the department.

Currently, the Village maintains nearly 150 pieces of equipment, which include vehicles, mowers, blowers, and other motorized tools. Each of our two mechanics now oversees approximately 65-75 pieces of equipment, significantly exceeding the industry standard of 30-40 items per mechanic. The age of the equipment is also a factor – older equipment requires more frequent repair and review. Technology improvements, while a benefit, do slow things down relative to repair.

This workload impacts the efficiency and quality of maintenance, as evidenced by an increase in temporary repairs rather than comprehensive servicing. Consequently, equipment lifespan has been shortened, leading to increased long-term costs for replacement and repairs.

To address these growing challenges, it is strongly recommended that the Village reinstates a third auto mechanic position. While the DPW leadership has requested this role commence by June 1, financial constraints have led the Manager to suggest a December 1 start date, representing a balanced compromise. The total financial impact of this addition is approximately \$51,609 of which \$38,707 or 75% impacts the General Fund and \$12,902 or 25% impacts the Water Fund since the position will work on the fleet of both funds.

Should the Village opt against hiring this additional mechanic, it will become necessary to allocate the entire (or near so) proposed salary into contractual services in order to outsource some of the required repairs and maintenance. This alternative, however, presents disadvantages including loss of immediate oversight, potentially increased downtime, quality of work, higher hourly repair costs, and less efficient overall fleet management. Our mechanics would still need to review outgoing maintenance requests and review completed work for quality control (something that may not be possible by two full-time staff).

In summary, reinstating the third auto mechanic position is essential for maintaining fleet reliability, improving equipment longevity, ensuring operational efficiency,

and ultimately safeguarding the Village's long-term operational & financial interests.

Police Officer

The Village Police Department currently consists of 20 sworn officers, structured as follows: 1 Chief, 1 Lieutenant, 5 Sergeants, 1 Detective Sergeant, 1 Detective, and 11 Patrol Officers. Compared to villages of similar population, we have the second-lowest officer count, with most peer municipalities staffing at least 21 officers; only Ardsley Village has fewer, with 18 officers.

Our Village operates with very tight margins regarding Police overtime. In an ideal scenario, without any extended absences, annual overtime typically falls between \$280,000 and \$300,000. However, a review of recent years reveals that when even one officer is out for an extended period due to injury, illness, or turnover, overtime expenses increase significantly. If two officers are absent concurrently, overtime expenses per payroll can double. Given recent trends, although our budgeted amount for Police overtime has been approximately \$280,000 annually, actual overtime expenditures have approached \$400,000.

This strategic hire will also provide multiple operational advantages, including:

- Increased staffing could enable scheduling of more shifts with three or even, in limited cases, four officers on the road.
- Enhanced response capability, as many calls (such as burglar alarms, vehicle accidents, certain medical aids, and storm-related incidents) require two officers.
- Having additional officers on the road allows for a supervisor to be on-road, not fixed to a specific post.
- Additional coverage and operational flexibility for traffic safety details and speed enforcement.
- Potential reduction or elimination of overtime during smaller community events (e.g., village bashes, pickleball tournaments, bicycle events, school events), contingent on scheduling and officer availability.
- Increased opportunity for officers to utilize compensatory time off, which cannot generate additional overtime costs, due to greater staffing.
- Additional officer availability to assist with court security.
- Reduction in overtime-related burnout and injuries, contributing to overall officer wellness and retention.

- Reduced response times for incidents, particularly beneficial when officers are stationed at fixed posts.
- Greater officer presence contributes to officer safety and improved operational efficiency.
- There is a need for an increased number of officers as we continue to grow our residential unit count

We believe it is fiscally prudent and operationally necessary to hire an additional patrol officer at the lowest pay step. This position will help mitigate overtime expenses and improve service delivery. Given budgetary considerations, this position is planned for an August 1 start date, facilitating smoother financial integration into the budget.

Tax Assessments

The 2024 assessment rolls for the Village of Briarcliff Manor in the Town of Ossining (roughly 91%) reflected growth of \$161M or 7.05% in assessed value and the Town of Mt. Pleasant section saw a \$14.4M or 6.59% growth. This is good news for Village residents as a whole. For those who reside in the Town of Ossining section as the spread in value, with the tentative tax levy increase as proposed, tax rates would be approximately \$6.21/ thousand compared to \$6.11/thousand from FY 24/25. This change in tax rates results in an annual average Village tax bill increase of \$97.90 for those homes located in Ossining. .

The story is not the same for the Town of Mt. Pleasant properties. As these homes are not fully assessed, an equalization rate is applied to the total town assessment value in order to properly apportion the Village's tax levy to each town. Each year the equalization rate decreases, creating a disparity in how the tax levy changes impact these homes. Even with a small assessment gain for FY 25-26, the proverbial pie by which taxes are based and distributed has only grown in small proportion, resulting in homeowners taking on larger increase in their tax bill as compared to the Town of Ossining. Based on discussions with NYS Real Property Taxation staff and professionals in the field, this trend is likely to continue. That being said, if you were to take two homes, one from the Mount Pleasant section and one from Ossining with identical full-market values, the Village property taxes paid would be identical.

Revenues

Revenues as a whole are unfortunately flattening however certain departments such as Recreation have been able to provide expanded programs with minimal increases to the residents. The Village staff continues to implement and collect revenue items such as Vacant registry, Hotel tax, Towing fees and Filming permits, to ensure we are maximizing non-tax revenue streams. Sales taxes continued to remain flat in 2024 and we anticipate similar levels in 2025, our pool of funding for interest earnings in the General Fund is conservatively budgeted to reflect the current market however we anticipate little to no movement at the federal level on interest rates for the next fiscal year.; Aid to Municipalities (State Aid) has remained flat for well over a decade; the current interest and housing market has created a reduction in anticipated Mortgage tax, and fines and forfeitures saw a small uptick.

Revenue Losses to note include:

- Mortgage Tax - \$30K (it was decreased by \$115K last year)

Key Revenues that remain stagnant

- Sales Tax – \$1.9M

Revenue Increases include:

- Ambulance Revenue -\$131K
- Bank Interest - \$35,000
- Cell Tower (contractual increase) - \$10K
- Building Permit Fees - \$35K
- Court Fines and Fees - \$15K
- Recreation \$197K (note there are many corresponding expenses that accompany this increase)
- Film Permits – \$30K
- We realized 10K in towing revenue this year for the first time through exclusivity contracts.

There are creative ways for the Village to expand revenues, some which may be re-occurring, while others may be one-time. These will be discussed further as a part of the budget process.

Relative to revenues, the Village has been consistently reducing its reliance on interfund revenue (transfers from Water Fund and Debt Fund) as tax relief. While some nominal amount is warranted, a reliance can become problematic when

surpluses or revenue sources decrease beyond what is anticipated. Overall, non-property tax revenues (inclusive of penalties) increased by approximately \$434K.

Expenditures (General Fund Only)

Expenditures continue to increase for the Village, as previously noted however at a more moderate pace than in the past. Here we focus on general fund expenditures which may relate back to property taxes. Some highlights relative to expenditures are noted below:

- Anticipated Tax Certioraris are remaining at \$100,000.
- Personnel Costs (Salary), related to contractual increases for Police (173K), over the two year budget cycle, finalized contract and Step Increases for CSEA (DPW) is (\$207K, approximately (\$100k/year) as mentioned early FY 24/25 during negotiations estimated contractual increases were captured in the Village's contingency expense line. .
- Grant Writing – We continue to apply for more grants and use our grant writers for reporting – This is now at a total of 14K in general fund.
- Addition of live translation software subscription (Boostlingo) across Building, Court and Police - \$5,940 (GF)
- Legal Costs remain flat at \$261K
- Addition of new Employee Assistance Program (Village wide) – 15,100 increase
- The Village's contingent account has been decreased by \$140,561 (these funds were moved back into salary and related costs for FY 25/26)
- Annual Debt Payment this year increased by \$367K within the General fund (BAN/Short Term)
- Utility and Natural Gas Costs Increased by approximately \$70K based on anticipated electric service increases of 5% from PASNY for FY 25/26 and actual increased activity in natural gas costs in FY 24/25.
- Disposal Costs for Landscaping debris has increased from 70K to 121K
 - o This is due in part to a 39% increase in costs from WCDEF relating to the transfer contract for materials, and a change in how waste is to be handed per NYSDEC regulations at our facility
- Significant expansion with rave reviews of the Village's senior programming (now 95K from 41K two years ago)
- General Liability Increased by 37K (15K is attributable to adding professional liability insurance for the new village engineer)

Water Fund

The Village's Water Fund is an enterprise fund and therefore is a "business-like" activity and must remain at worst break-even, but often attempts to contain a nominal surplus to grow Fund Balances for emergency repairs and small Capital Projects. The Village purchases its water from New York City via NYC Department of Environmental Protection.

The Water Fund as a whole has struggled the last few years. We increased the rates 9.75% last year in order to be in line with the anticipated NYC DEP increase for July of 2024. Due to the lack of increases since the rate structure change in 2013, the Village Board should consider making it a regular policy to increase water rates at a minimum at the same percentage we are seeing increases in the purchase price of water from the New York City Department of Environmental Protection. The 25/26 Tentative Budget reflects an increase on water rates of 8.75% based on NYCDEP anticipated increases for July 2025, 8.75% The Village recently partnered with a software company, Waterworth to do a deep dive on its water rates, water rate structure and the possibility of creating a sewer fund future year. The Village is continuing to refine the tentative water budget by working with Waterworth to confirm the recommended increases. Further discussions and presentations will be made during the opening Budget Public Hearing.

Library Fund

The Village's Library Board & Director had submitted an Operating Budget requesting approximately \$818,120 in Village support. The Library Board has control over the use of Fund Balance and has identified several potential uses for FY 25-26 year to be discussed during the budget presentation. The budget request includes needed substitute librarians and substitute directors (new) and an approximate \$12,000 increase to the part-time line to increase the number of hours by 6-7 hours per week, with the majority of the hours likely being added to Fridays and Saturdays. The Library also added a retiree approximately \$40k to its health insurance section this year.

Capital Projects and Capital Plan

We are pleased to say that the Tentative Capital Budget has once again been submitted on-time complete with its own management letter under separate cover.

Conclusion

I want to thank Village Department Heads for their hard work on the budget. I thank the Board of Trustees and the public for their patience and look forward to finalizing my 4th Budget as Village Manager/Budget Officer for the Village of Briarcliff Manor. Lastly, special thanks to Village Treasurer Katie Nivins-Mack and Deputy Village Treasurer Nicole Kenneally, for whom without your review of this tentative submission would have been impossible to prepare.

Respectfully Submitted,

Josh Ringel
Village Manager

Village Manager

The Village of Briarcliff Manor operates under a Council-Manager form of government. Under this type of government, the elected Board of Trustees appoints a professional Village Manager to oversee the day-to-day administration of municipal government and implement policies established by the Board. In Briarcliff Manor, the position of Village Manager was created in 1974.

The Village Manager serves numerous roles in the Village government. By law, the Village Manager appoints most Village employees. The Manager acts as the Village's Personnel Officer, works in conjunction with the Village Clerk & Mayor to prepare agendas for the Board of Trustees, executes all Local Laws, acts as purchasing agent, grant writer coordinator, and oversees all departments of Village government. The Assistant Village Manager serves overseeing various Village department programs, providing administrative support to Department Heads, and representing the Village Manager in dealings with public officials, consultants, Board members, Village employees, and the general public. The Secretary to the Village Manager serves to support the Manager, and other staff in the office with day-to-day support including but not limited to: preparing Work Session agendas/assembling packets to be distributed to the Board of Trustees, handling general visitor/phone inquiries, and keeping residents informed of various municipal activities. Another aspect worth mentioning is supporting Village Departments with key functions such as issuing burial permits/affirming death certificates, collecting and inputting revenue, and issuing various permits/licenses (i.e., alarm/parking/handicap permits, dog licenses, etc.).

The Manager also establishes a vision and expectations for the professional staff, acts as the Village liaison with other governmental entities, serves as Budget Officer and makes recommendations to the Board of Trustees relative to operations, capital planning, budgeting, debt management, and strategic and long-range planning. The Village Manager is also assigned other responsibilities, such as the promulgation of parking and traffic control regulations. The current Village Manager is a member of [ICMA](#) - the professional organization for [Local Government Managers and Professionals](#) and adheres to the [ICMA Code of Ethics](#).

It is recommended that residents first contact the specific Village department responsible for the area of concern (e.g. pothole complaints should be directed to the Department of Public Works). If the matter is not corrected within a reasonable time, the Manager's Office welcomes you to reach out to seek further assistance.

Justice Court

The Village Justice Court provides a forum through which citizens may seek redress while offering fair treatment to all individuals who come into the judicial process. The Court at all times conducts itself in a professional and courteous manner. The Village Court has jurisdiction over misdemeanors, criminal matters, vehicle and traffic, parking fines and Village code violations. The court also has jurisdiction over civil actions, including small claims up to \$3,000 and all summary proceedings, landlord-tenant actions, without limit.

This Court engages with local, county and state courts, law enforcement, Probation Department, Department of Motor Vehicles, and the Westchester County District Attorney's office, and criminal/civil attorneys. When non-English speaking litigants come to into the Village Court, certified Court interpreters are supplied through Village funds. Most recently, the Village has used Spanish, and Mandarin Chinese translators.

The Village Justice Court sessions are held once a week on Wednesday mornings. Criminal matters are heard on the second and fourth Wednesday of each month. Traffic violations, civil matters, landlord-tenant actions, and code violations are heard the first and third Wednesday of each month. Additionally, a Judge is on call 24/7, including weekends and holidays, to handle after-hour arraignments, warrants and other pressing court matters. Often the Court Clerk is required to respond on a 24/7 basis to assist the judges in processing these matters.

The Court follows all the guidelines from the Office of the Court Administration (OCA). This includes monitoring continuous revisions set force by OCA. Including record retention compliance, all mandatory training required by New York State.

In the fiscal year 2023-2024, the Court collected fines and fees totaling \$224,823.00. The court handled 102 criminal cases, 17 civil/small claim cases, 25 village code violations, 2312 vehicle and traffic (VTL) and 207 parking violations.

Finance Department

The Village Treasurer's Office provides professional and fiscally responsible management of all Village assets. Our team ensures accurate recording, safeguarding, and organization of funds while planning for the Village's future financial needs.

The office consists of four full-time employees, including a Treasurer/Tax Collector, Deputy Treasurer/Tax Collector, Accounts Payable/Receivable Clerk, and Payroll/Water Clerk.

The FY 2025-2026 Budget includes:

- Upgrading outdated files that are no longer supported by the current software system.
- Procurement of analysis software to review the Water Fund's current rate structure and fees, ensuring the Village can cover operating costs and fund necessary infrastructure upgrades.

Major Functions

Financial Accounting

- Maintains the Village's general ledger across all funds:
 - General (A), Water (F), Library (L), Capital (H), Restricted (CM), Fixed Assets (K), and Debt Service (V).
- Manages account creation, monthly closings, balance proofing, and journal entries.

Audits

- Oversees annual audits conducted by an outside vendor for the Village and Library, including preparation for year-end closing.
- Reviews control accounts, processes fixed asset additions/deletions, and prepare capital schedules.
- Works with auditors to complete final reports and develop the Management Discussion & Analysis (MD&A).
- Administers GASB-directed policies and provide financial training for all departments.

Annual State Filing Requirements

- Ensures the Village complies with state regulations and submits the following annual reports on time:
 - Local Government Real Property Tax Cap Filing
 - Local Government Constitutional Tax Limit Filing
 - Local Government Annual Financial Report

Revenue Collections

- Collect and reconcile Village revenues, including:
 - State, County, and Federal disbursements (e.g., grants, sales tax, FEMA, ARPA funding).
 - Utility gross receipts tax, other non-tax fees, leased property income, insurance recoveries, and donations.

Water Revenue Collections

- Generate monthly billing and manage customer inquiries.
- Process payments, update customer accounts, and reconcile revenue to the general ledger.
- Generates final bills for property owners selling their property and coordinates with the Water Department to review or replace equipment for new owners.
- Manages the Tri-Village Operating and Capital allocation of shared expenses and recovery of revenue from both Sleepy Hollow and Tarrytown.

Tax Collections

- Coordinate with the Town of Ossining and Mount Pleasant for annual assessments.
- Create annual tax bills.
- Manage property tax collection, reconciliations, and quarterly reporting to the U.S. Bureau of Property Tax.
- Handle tax certiorari judgments and delinquent notices in coordination with the Village Attorney.

Accounts Payable

- Process vendor payments biweekly while ensuring compliance with Village and NYS procurement policies.
- File annual 1099-NEC statements.

Payroll

- Processes Village-wide payroll biweekly, which includes:
 - Timely filing of Federal, State, and Local payroll taxes.
 - NYS Retirement contributions and reconciliations.
 - Management of employee deductions and salary adjustments.
 - Annual W-2 processing.

Budgeting & Reporting

- Provides financial reports to the Village Manager and Board of Trustees.
- Collaborates with the Executive Office to develop the Annual Operating and Capital Budgets.

Debt Management

- Coordinates with Bond Counsel and Financial Advisors for debt issuance and ratings.
- Tracks and processes debt service payments.

Additional Treasury Functions

- Monitors cash flow to ensure operational funding.
- Maximizes interest earnings through approved investments.
- Oversees Village accounting software and online payment processing.
- Conducts financial studies and analysis for special projects.

Police Department

The Police Department protects the lives and property of people in Briarcliff Manor by enforcing the laws of the Village and New York State. The Department fulfills its mission by engendering and maintaining a feeling of security in the Village, reducing the opportunities for criminal activity through crime reduction strategies, identifying, apprehending and prosecuting offenders, recovering and returning property and providing related services. The Department's divisions are Administration, Detective Division and Patrol.

Administration manages the strategic allocation of resources to provide the most effective and efficient police services, which include such activities as budgeting, procurement, facilities maintenance and records management. The Administration Division also processes all arrest and provides the District Attorney with all of the discovery material. Security of our court is maintained by the Administration division as well assisting the Court Clerk with the vehicle and traffic and criminal court proceedings.

The **Detective Division** processes evidence relating to crimes against persons and property and performs crime analysis tasks. During the past calendar year the Detective Division was assigned 163 cases for follow up, of which 49 ended in arrest, others were closed through investigation or non-arrest.

Patrol operates on a twenty-four hour basis utilizing a fleet of 6 patrol vehicles, one motorcycle and one undercover vehicle. Patrol responds to emergency calls for service, operates the communications system, conducts school crossing and animal control operations and is responsible for emergency planning and coordination. In the past calendar year Patrol responded to approximately 21,257 calls for service and fielded thousands of informational requests and calls for general assistance. Recently, Patrol began a more pro-active approach to vehicle and traffic enforcement of our "problem areas". The Patrol Division issued over 1600 moving violations in 2024. The motorcycle was used by our motorcycle unit to address traffic issues and during ceremonial details such as the Memorial Day Parade, Little League Parade and funeral escorts. New for 2024 is our Bicycle Unit. The Bicycle unit has been deployed for our Halloween "Tree Streets" night, Briarcliff Bashes and routine patrol of the CBD. We are also excited for our newest tool purchased using 100% grant funds – a drone. The drone will be used for V&T enforcement, locating missing persons etc.

Fire Department

The Briarcliff Manor Fire Department (BMFD) has been **100% volunteer** since 1901. It provides Fire Protection and Emergency Medical Services to the Village of Briarcliff Manor and its hamlet Scarborough. The all-volunteer BMFD also serves unincorporated areas of Ossining and Mount Pleasant by contract. These areas span 5 square miles (13 km²) within Briarcliff Manor and the unincorporated portions of the Towns of Ossining and Mount Pleasant.

The Fire Department responds to the community's needs by providing professional services that are critical to the safety, health and welfare of the community. This is accomplished through fire suppression, fire prevention, public education and many other activities.

The Fire Department consists of three (3) Fire Companies,

- Briarcliff Fire Company
- Briarcliff Manor Hook & Ladder Company
- Scarborough Engine Company

BMFD operates three (3) Pumper/Engines and a Tower-Ladder. The Department maintains additional emergency vehicles, including a Heavy Rescue/Cascade Vehicle, a Utility Pick-up Truck, an off-road Quad Gator and three (3) Chief's Vehicles.

In addition, the Briarcliff Manor EMS provides emergency medical intervention and transports. The Briarcliff Manor EMS operates two (2) New York State Certified Ambulances with Basic Life Support (BLS) capabilities. The EMS members answer over 1200 emergencies per year and participate in the Tri-Community Fly Car Program to provide Advanced Life Support (ALS).

The BMFD operates out of two (2) Fire Stations. The Main Headquarters is located at the Briarcliff Manor Village Hall. This is where the Briarcliff Fire Company and Briarcliff Manor Hook & Ladder are housed. The second Fire Station is located on Scarborough Road where the Scarborough Engine Company is housed. The BMFD has approximately 150 members, including a Fire Chief and two Assistant Chiefs. All of the Fire Department members, including the Fire Chiefs, **are unpaid volunteers**. The volunteers are qualified and trained to save lives, protect property, prevent / extinguish fires, and lend assistance to neighboring Fire Districts and EMS organizations as needed. The Department's volunteer staff devotes over 10,000 hours on an annual basis to remain current in many critical and specialized subjects such as Hazardous Material Mitigation, Weapons of Mass Destruction, Federally Mandated Incident Management Training, Safe Driving Tactics for Emergency Vehicles, Certified First Responder, Vehicle Extraction, Water Rescue, EMT, CPR, and many other firefighting and EMS tactics and strategies. The department responded to over 500 fire calls in 2024.

Department of Public Works

The Department of Public Works is charged with providing our residents with safe roads, a quality drinking water supply, a sanitary sewer collection system, buildings and vehicles, sanitation collection, and an extensive recycling program. Our 26 full-time employees are distributed to four major divisions: Highway, Water/Sewer, Sanitation, and Garage, with Highway and Water splitting maintenance of the Sewer Collection System. All calls come into our Public Works Facility on Buckhout Road and are distributed to the appropriate division for disposition.

Highway Department

Maintains 40 miles of Village roadways providing paving, pot hole repair, guide rail replacement, sweeping, pavement stripping, street and regulatory sign installation, sidewalk and curb repair, stump grinding, tree cutting, brush removal, roadside mowing and snow and ice control. The highway division also maintains approximately 400 drainage basins, 630 streetlights and is responsible for over 30 miles of sewer mains. Maintenance of the Village's two (2) organic waste transfer facilities at Buckhout Road and Long Hill East, in which an estimated 3,700 tons of logs, brush, and leaves are transferred annually. Fall bulk leaf pickup, bagged organic waste, and commingled recyclables are picked up by the Highway Division on a regular schedule.

Sanitation Department

We provide garbage pickup and curbside rubbish removal to over 2,400 residential homes, schools, and commercial businesses twice a week. Sanitation picks up recycled paper and bulk metal items bi-monthly.

Central Garage

Maintenance of approximately 65 vehicles, 21 pieces of Heavy Equipment and 40 pieces of equipment for Village departments. (Highway, Water, Sanitation, Parks, Police, Fire, Ambulance, and Administration). This years' budget requests an additional mechanic to start December 1 to help manage the increasing backlog of maintenance and improve general equipment maintenance.

Building Maintenance

Maintenance of the Village's many facilities is accomplished by utilizing in-house staff for painting, carpentry, minor electrical, plumbing, and all other minor trade work. The Village utilizes outside contractors for plumbing services, generators, HVAC maintenance, fire suppression, alarm and security systems.

Village Engineer / Building Inspector

The Village Engineer and Building Inspector operates out of two offices that provides many municipal services and has jurisdiction over many Village matters. The Building Inspector is based out of Village Hall while the Village Engineer splits time between Village Hall and the Department of Public Works. This department houses the Village Engineer, Building Inspector, Assistant Building Inspection, Fire Inspector and Code Enforcement functions as described below. Enforcement personnel are trained New York State Code Enforcement Officers and received 24 hours of continuing education every year to maintain their certifications. This office operates utilizing 4 full-time Village employees, and up to 3 part-time or temporary employees depending on staffing needs.

Building Department

The Building Department is responsible for enforcing building codes, issuing permits for new construction, alterations, and renovations, inspecting ongoing construction projects and ensuring the safety of buildings within the Village. This department issues Certificates of Occupancy and Certificates of Completion at the end of construction. This department also enforces a variety of local laws including trees, wetlands, and zoning.

- Performs building & construction plan review to ensure compliance with State and Village Building and Zoning Codes.
- Reviews and forwards permit applications to the appropriate Village Board, (Zoning Board of Appeals, Architectural Review Advisory Committee, Planning Board, or Board of Trustees), document their findings, and retain records.
- Issues Building Permits, Demolition Permits, Plumbing & Electrical Permits, Fire Sprinkler Permits, Fuel Tank Removal & Installation Permits.
- Performs field construction inspections to ensure compliance with all applicable State and Village codes, and issue the appropriate inspection report.
- Issues Certificates of Occupancy, and Certificates of Compliance as required.
- Ensures the Village complies with all Department of State Building Department requirements for record keeping and reporting.

Code Enforcement and Fire Safety

Code Enforcement and Fire Safety is responsible for inspecting properties and buildings for compliance with local and state codes, including property maintenance and fire safety. Code Enforcement investigates complaints pertaining to Village Codes, State Building Codes, and Property Maintenance Code, and takes appropriate action to ensure compliance.

- Issues Violations and/or Order To Remedy to owners of properties who are in violation
- Enforces other related codes, such as Flood Damage Prevention, Wetlands, Property Maintenance, Signs, Trees and others.
- Performs Fire Inspections on commercial properties, multi-family dwellings, places of public assembly, and performs follow-up inspections to ensure compliance.

Engineering

The primary mission of the Village Engineer is to provide a variety of engineering services designed to protect and improve the public health, safety and welfare of the community. The Village Engineer is dedicated to the provision of quality, sustainable, and cost-effective technical services in support of the general Village operations, as well as the responsible development land and infrastructure, both public and private.

Village Engineer Responsibilities:

The Village Engineer performs important technical and administrative work requiring a thorough knowledge of the principles and practices of engineering, capital project management and a good knowledge of the operation of municipal government.

The Village Engineer works closely with all municipal departments to assess and maintain the Village's infrastructure, determine proactive and corrective actions necessary and manage various capital projects. The Village Engineer is extremely involved in the design and construction of storm and sanitary sewers, stormwater management practices, domestic water infrastructure, curbs, sidewalks, traffic signage, pavement markings, roadway construction and other public works improvements. This position is a key player in the Village's capital planning and capital project management.

The Village Engineer serves as the advisor and provides support to the Village staff and Village Boards and Committees (Planning Board, Board of Trustees). While the Village Engineer deals with the public and property owners in many aspects regarding their buildings and properties, the Village Engineer cannot provide advice to individuals on private matters.

General duties include the following:

- Makes special studies and reports on a variety of subjects and activities as basis for recommendations to the Village Manager and Village Board of Trustees.
- Works with the Village Board on legislative updates and modifications.
- Conducts negotiations between the Village and outside parties, such as County officials, Town officials, utility companies, etc.
- Coordinates with other government agencies such as the NYCDEP, NYSDOT, Army Corps of Engineers, NYS DEC, etc. on behalf of the Village.
- Preparation of engineering studies, project designs, preliminary and final construction cost estimates, engineering drawings and project specifications.
- Reviews site plans, Stormwater Pollution Prevention Plans (SWPPP's), "as-built" surveys and other engineering documents for conformance to the Village Code and general engineering practice.
- Coordinates and works with many Village consultants on various Engineering and Planning matters.
- Performs field investigations and assessments of Village Infrastructure.
- Plans, prioritizes, and recommends special construction or maintenance projects.
- Supervises or undertakes preparation of plans and specifications for special construction alteration contracts or maintenance project.
- Assists the Department of Public Works with roadway improvements, storm and sanitary sewer connections and other public works activities.
- Assists the Building Department and Village Planner as requested
- Administration of all infrastructure projects in the Capital Improvement Plan. Work includes preparation/coordination of bid documents, bid letting and award.
- Supervises or undertakes the preparation of contracts and the request for proposals, quotes, bids, etc. for engineering construction.
- Provides construction administration and oversight for capital improvement projects side-by-side with the Superintendent of Public Works

Parks and Recreation Department 2025/26 – Building on Success & Looking Ahead

The Briarcliff Manor Parks and Recreation Department is heading into the 2025/26 fiscal year with great momentum, a dedicated team, and a commitment to building on the tremendous success of this past year. With continued growth in programming, facility improvements, and community engagement, we are excited about the future and the opportunities ahead.

This past year brought positive change, including the addition of two highly qualified team members—one in parks and one in recreation, both bringing valuable municipal experience. Their expertise and enthusiasm, along with the hard work of our existing staff, position our departments for continued success and growth.

Our mission remains the same: to enhance the lives of our residents by providing year-round recreational opportunities, well-maintained parks, and high-quality facilities that foster community spirit for all ages. We are eager to expand on our successes, explore new ideas, and ensure we meet the evolving needs of our residents. The 2025/26 budget is designed to support this vision, building on a strong foundation while pushing forward with new partnerships, enhanced programming, and strategic improvements.

2024/25 Highlights & Achievements:

✅ **Increased Participation & Revenue:** 5,571 online transactions processed, generating \$1,681,944.72 in fees, permits, and rentals. (from February 26, 2024 – February 26, 2025) 79% of transactions completed digitally, reflecting increased efficiency and accessibility.

✅ **Expanded Community Engagement & Programming:**

Nearly 3,000 additional pool visits compared to the previous year.

Traveling Camp expanded from 3 days to 5 days, increasing both participation and revenue. New Briarcliff Bash event added, bringing energy to the Downtown Village area before the holidays.

An expanded after school program with a wide and diverse offering to choose from

✅ **Park & Facility Enhancements:**

The completion of the walking track at Club Field

New Fencing coming to McCrum

New Netting at the Club Field + LAX Wall Donated by Youth Lacrosse and Youth Soccer

Playground upgrades at Law Park, Neighborhood Park, Chilmark and a brand-new playground at Jackson Park.

AED installations at most of our active park facilities, improving safety across our community.

New scoreboards & batting cage at McCrum, in partnership with Little League.

New Ventrac attachments to make maintaining parks and fields efficient

✓ **Revamped Senior Programming:**

Higher participation, growing satisfaction, and an expanded schedule of activities, trips and partnerships especially with the Rotary Club and Bethany Arts Center for our senior community.

Looking Ahead to 2025/26

More competitive wages for seasonal staff to attract and retain top talent

📅 Continued expansion of programs, special events, and community initiatives, especially Day Camp

Moving forward with the new pool complex planning

Entrance work done at Neighborhood Park

🏆 Enhancements in parks, facilities, and recreational opportunities to keep pace with our growing community needs.

By strategically allocating resources, maximizing efficiency, and maintaining fiscal responsibility, we are well-positioned for another outstanding year. This budget reflects our dedication to innovation, community engagement, and sustainable growth while ensuring the long-term success of our parks and recreation offerings.

We look forward to continuing our mission, strengthening community connections, and making Briarcliff Manor a place where recreation thrives for all!

Village Clerk

Village Clerk's Office – 2024 Annual Overview

The Village Clerk's Office plays a vital role in the administration of Briarcliff Manor, handling various responsibilities that range from issuing permits and licenses to managing official records and overseeing legal and election matters. Among its duties, the office processes Freedom of Information Law (FOIL) requests, receiving approximately 125 requests in 2024.

Throughout the year, the Clerk's Office saw a 10% increase in parking permit revenue compared to 2023, due in part to the continued success of the Daily Parking App-based program, which has generated an additional source of revenue for the Village. Other permits issued remained stable, with five firework permits, four solicitor permits, and five carting permits processed. The number of film permits increased to eight, covering a total of 15 filming days, largely as a result of the resolution of the film industry strike.

As a licensing agent for the State of New York, the Clerk's Office issued 170 disability parking permits in 2024. Additionally, the office is responsible for issuing all dog licenses within the Village, maintaining an up-to-date database of registered dogs, and emailing monthly renewal invoices to owners. A total of 178 dog licenses were issued this past year.

Beyond permits and licensing, the Clerk's Office also serves as the official repository for all lawsuits and notices of claims. As Registrar of Vital Statistics, the Clerk processed 53 death certificates and 538 death transcripts in 2024.

Each year, the Clerk is responsible for conducting the Village Election in March. Additionally, the Clerk provides administrative and clerical support to the Board of Trustees, Planning Board, and Zoning Board of Appeals, attending and recording minutes for all meetings, including those of the newly formed Briarcliff Manor Local Development Corporation. The year 2024 saw the adoption and filing of 21 Local Laws by the Board of Trustees. The Planning Board experienced a 75% increase in applications, hearing 21 new cases, while the Zoning Board of Appeals reviewed nine variance applications. The Clerk's Office remains the official repository of records for these boards and serves as the Records Access Officer for the Village.

In addition to these duties, the Clerk acts as the Human Resources Administrator for Village employees and retirees, overseeing benefits such as health insurance, self-administered dental and optical plans, workers' compensation, FMLA, and COVID leave. The Clerk also manages various insurance policies, including liability, auto, cyber, and inland marine coverage. Civil Service transactions, including new hires, promotions, retirements, separations, and list canvassing, are also handled by the office.

Further responsibilities of the Clerk's Office include maintaining and updating the Village website and cable broadcast system, overseeing the publication of the Village newsletter, and managing updates to the Master Fee Schedule. The office also maintains the "Do Not Solicit" registry, offers Notary Services, and coordinates events such as the Westchester County Mobile Passport Unit and Mobile Shredder programs.

Staffing the Village Clerk's Office are the Village Clerk/Assistant Village Manager, who oversees all operations, and the Secretary to the Village Manager/Deputy Village Clerk, who provides essential administrative support. Together, they ensure the efficient functioning of the Clerk's Office and its many responsibilities in service to the residents of Briarcliff Manor.

Water/Sewer Department

Operates and maintains the Village's Water District consisting of 8,730 water district customers and provides treated water to 2416 Village residents and an additional 363 homes in Mt. Pleasant and Ossining. The water district comprises approximately 65 miles of water main and 400 hydrants.

The Village's full supply pump station at Neperan Ave (Tarrytown Lakes) provides an average of 1.0 million gallons of water per day and a maximum daily capacity of 3.1 million gallons of treated water. The Water Department inspects the Village's nine water pump stations, nine sewer pump stations, and three (3) water tanks daily. Staff provide daily (including weekends) sampling for pH turbidity, chlorine residuals as well as additional sampling for bacteriological, lead, copper and other contaminants required by the NYSDOH.

Public Library

The Briarcliff Manor Public Library serves the Briarcliff Manor population and beyond. The Library is committed to providing value to the community through innovative services, quality materials, and engaging events. For example, we saw an increase of 23% in circulation of electronic books and audiobooks through the Libby app. We are interested in increasing our investment into electronic materials. Currently, the Library spends more on electronic materials than print materials.

The Briarcliff Manor Public Library went through many changes in staffing this past year. Library Director Donna Pesce retired in April 2024 after six years of service. In July 2024, Kim Naples was hired as her replacement. Ms. Naples comes to Briarcliff from the Katonah Village Library and has been a Librarian since 2015. In January 2025, the Library filled the Full Time Children's Librarian position left vacant by Amy Kaplan. Jane Rothschild is the new Children's Librarian and comes to Briarcliff from Lewisboro and Armonk libraries. Check out our online calendar to see the great programs she is planning.

Also over the past year:

- LED lights were installed on both floors of the Library. We hope you notice the difference particularly in the Children's Room, which is now brightly lit.
- Briarcliff Manor teens won The Battle of the Books (again)! This is a Westchester-wide book trivia competition.
- We hosted Summer Reading programs for children, teens, and adults. Prizes incentivize people to read. The teen and children's programs help prevent the "summer slide" where students experience a decline in reading skills when out of school. These programs kicked off with a magic show and closed with an animal show.
- In October, students from every grade at Todd Elementary School came to the Library for a story and scavenger hunt with new Director Kim Naples. Ms. Naples switched up the books and the scavenger hunt hiding places for each class to keep it challenging and entertaining!
- Repairs were made to the Library Sprinkler System. Past problems included flooding of the Circulation Desk.
- We installed a door counter for data gathering of patron visits. Previously, this was done by hand by staff. We are required to report the number of the library visitors to the state each year.
- We created an online form to apply for a library card.
- We partnered with Bay State Books to provide bins for book donations. Bay State Books uses the books for literacy initiatives in foreign countries and correctional facilities or recycles them.

The Briarcliff Library was first funded by the Village in 1924. As a NYS-chartered municipal public Library, the Library is governed by a volunteer Library Board of Trustees which is appointed by the Village Board of Trustees. The Library Board is made up of nine members. The Village continues to provide an appropriation for the operation of the Library. Our 25-26 budget request highlights continued Library services with an additional **\$11,893 for part-time service to allow the library to remain open an additional 7 hours per week (extended hours on Fridays and Saturdays).**
